DISPATCH NO. 100-4-11-1113

CLASSIFICATION

TO : Chief, WFO
FROM : Chief of Station, Frankfurt Attention: Douglas G. Hickey
SUBJECT: Operational
CAUTION 18

DATE: 8 July 1952

Reference: HQ-M-12042

Since SOU retains only skeletal files, the memoranda mentioned in your letter are at present impossible to identify. However, for your information, CAUTION 18 is now employed by the CAUTION Chain, as has been the case for some time. Since this chain is involved in the exploitation of miscellaneous information, as well as in the servicing of other operations (delivery of letters, visits to various L/Ds, D/Ds and such), his name may well have been mentioned in connection with other projects. It is not our feeling that CAUTION 18 is employed in any project other than CAUTION, in spite of his activities in behalf of other operations.
